

# EVERY SIP, EVERY BITE

## A STORY OF THAILAND

Welcome to your minibar journey, thoughtfully curated with local, sustainable, and artisanal products.

Each item has been chosen not only for its taste, but also for the story it carries from Thai farmers, brewers, and artisans who pour passion into their craft.

By enjoying these treats, you are:

Supporting local communities & family businesses

Preserving traditional Thai know-how

Choosing a more sustainable way of travel

### SPIRITS & BREWS

#### Kilo Gin & Vodka, precisely crafted in Krabi.

Born in Krabi, Kilo crafts small-batch spirits that blend modern creativity with Thai character. Locally distilled, supporting Thailand's new generation of artisans. Best enjoyed in your villa as a refreshing sundowner.

♦ Ask our bar team about cocktails featuring Kilo spirits.

#### Samui Rum

From sugarcane fields on Koh Samui, this rum reflects island tradition in every sip. Supporting small-scale farmers and local distillers. Perfect after a seafood dinner, neat or on ice.

♦ Discover Samui Rum pairings at our bars.

#### Singha & Chang Beer

Thailand's beloved classics, enjoyed nationwide for generations. Supporting Thai brewing heritage and local workers.

### REFRESHING BEVERAGES

#### Saiyok Springs (Still & Sparkling water)

Drawn from a natural spring between Sai Yok and Erawan National Parks, this premium Thai water is naturally enriched with minerals as it flows through limestone. Bottled in reusable glass with a closed-loop system — reducing waste and environmental impact. Pure, crisp, and refreshing.

♦ A sustainable taste of Thailand's natural springs.

#### Pushers Oolong Tea Fizz (Peach & Passion)

A sparkling fusion of northern Thai oolong tea and juicy fruit — crafted by Thai innovators. Made with tea leaves grown sustainably in Thailand. Refreshing and light, a healthy alternative to soda.

#### AC Juices (Pink Guava / Mango)

Pressed from ripe Thai fruits, harvested in peak season. Sourced from local orchards, supporting fruit farmers across Thailand. A tropical burst of flavor, perfect after an island excursion.

#### Merito Organic Coconut Juice

Pure organic coconut water, bottled at source in Thailand. Organic farming protects soil, water, and biodiversity. The ideal refreshment after yoga or a spa ritual.

#### Foremost Milk

A trusted Thai classic, present in homes across the country. Supports Thai dairy farmers and local nutrition programs. Comforting with your morning coffee or tea.

♦ Complimentary — just like in every Thai household.

### COFFEEN & TEA (COMPLIMENTARY)

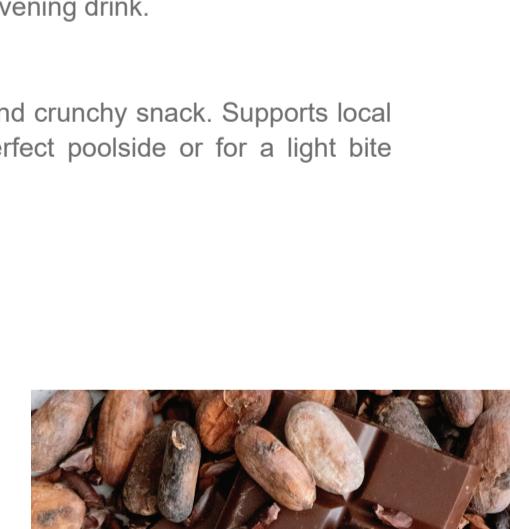

#### PONG KRAI Organic Forest Coffee

Hand-harvested Arabica grown under forest shade in Baan Pong Krai, Chiang Mai. Sustainably cultivated at high altitude, protecting forest ecosystems. Artisan roasted for a smooth, aromatic cup.

#### CHAIDIM Organic Tea

Certified organic blends from northern Thailand's cool highlands — ranging from classic teas to soothing herbal infusions. Pesticide-free farming supports soil health and local farming communities. A calming companion at any time of day, whether you prefer a traditional tea or a gentle herbal brew.

♦ Available in a variety of blends at our boutique.

### SNACKS & TREATS

#### Happy Earth Mixed Beans, Nuts & Fruits

A wholesome mix of fruits and nuts, hand-packed in Thailand. Free from preservatives, made with natural ingredients. The perfect healthy boost between activities.

#### De La Lita Chips

Thai-made, baked snacks with bold flavors. Healthier alternative to fried snacks and a guilt-free partner to your evening drink.

#### Greenday Mixed Fruit Chips

Thai fruits gently preserved for a light and crunchy snack. Supports local fruit growers while reducing waste. Perfect poolside or for a light bite between meals.

### CHOCOLATE & SWEETS

#### Siamaya Chocolate

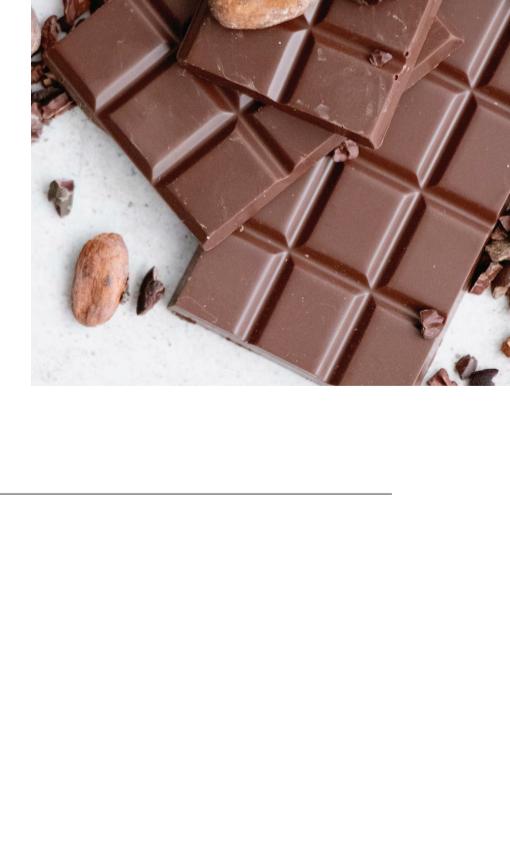

Handcrafted in Chiang Mai, Siamaya partners with Thai cacao farmers to create bean-to-bar chocolate. Fair trade and sustainable cacao sourcing supports farming communities. Rich, smooth, and indulgent — a true taste of Thailand.

#### Tai Tai Sesame snacks

Traditional Thai sesame snacks, reimagined with modern twists. Made with natural sesame seeds and minimal processing. Great for an energy boost before an adventure.

#### Tai Tai Cereal Bar

Wholesome Thai grains and seeds combined into a nourishing cereal bar. Promoting healthier snacking with local ingredients. A filling option for an active day on the islands.
