

HONG ISLAND

by LONGTAIL BOAT

เรือหางยาวพาเที่ยวเกาะห้อง

Located to the west of Rayavadee between the resort and beautiful Phang Nga Bay, Hong Island's dramatic beauty makes it a memorable destination and the perfect place to wile away the hours surrounded by soaring limestone cliffs, turquoise waters, sandy beaches and hidden coves.

At the centre of Hong Island is a large open cavern which can be entered and explored only when the tide is above a certain level. The result of thousands of years of erosion, this unique feature inspired the island's name as 'Hong' in Thai means 'room' or 'cavern'. Enjoy a picnic lunch, read, swim and explore the lagoon.
