

THE MASKS

AN EXQUISITE CERAMIC ART PIECES EXHIBITION
BY CHI PHAN

9TH – 18TH JANUARY 2025
AT RAYAVADEE

9th January 2025 - Krabi, Thailand – Rayavadee cordially invites guests to join “**THE MASKS**”, an exhibition showcasing the exquisite collection of 10 ceramic art pieces crafted by Parisian artist, **Chi PHAN**. The exhibition will be on display at Rayavadee from 9th – 18th January 2025.

THE MASKS invite guests to reflect on the human figure - both in art and within our society. From the artist's eyes, masks - as artificial faces – have a universal purpose. Positioned between oneself and the world, masks possess a duality, reflecting inward and outward, not only to hide the face but also to embody another persona, often contrasting with the individual beneath. Whether a symbol of human shortcomings or a collective masquerade; masks disguise, hide, cover up, protect, lie, liberate, delude, transform, frighten, disconcert, and reveal.

Chi PHAN : Born in Paris and raised in Africa, Chi crafts art pieces at the highly sought-after Terre & Feu Studio in Paris. He is set to return to Thailand - his second home for the last 15 years - specifically for this event. The Parisian contemporary artist's diverse cultural heritage and expertise in tailored cultural travel are clearly reflected in his captivating ceramic pieces. Chi PHAN also serves as the Deputy Director and Curator of “les Ateliers d'Artistes de Belleville” - one of the French capital's most prominent artist network comprising around 500 established artists since 1989.

About Rayavadee - Responsibility, Sustainability, Community

Setting on the edge of Krabi's National Marine Park at the heart of the stunning Phranang Peninsula perfectly blends lush foliage, limestone cliffs, white sand beaches and the emerald waters of the Andaman Sea. The resort's award winning architecture and tropical landscapes were inspired by the atmosphere of a southern Thai village.
